Dear Customer,

Change to Wholesale Selling Prices – effective 12th February 2024

I am writing to inform you of upcoming changes to the Wholesale Selling Prices of our ale, lager, cider and stout brands, as well as increases from some of our partner third party brand suppliers across wines, spirits and minerals.

Carlsberg Marston's Brewing Company continues to put all efforts into offsetting cost inflation wherever possible, however, it is necessary to increase our cost prices effective on deliveries from 12th February 2024.

Please see the enclosed pricing schedule that outlines the changes to the prices of CMBC brands, as well as a selection of increases from partner third party brand suppliers.

For a full list of price changes to third party (non-CMBC) brands, as well as for details of how this impacts your individual agreement, please contact your Account Manager.

Our minimum order value is unchanged, requiring a minimum of 3 pallets of keged or packaged products.

I would like to thank your business for trusting CMBC as your business partner; we will continue to work hard to support you through these challenging times.

Yours sincerely,

Carl Middleton
