Dear Customer,

I am writing to inform you of price changes across the Molson Coors portfolio. These changes will take effect on all deliveries made on or after 8th January 2018.

At Molson Coors, we have worked hard to minimise the impact of the recent cost inflation that is hitting our business. However, increases in the cost of packaging materials, utilities and raw ingredients have meant it is necessary to increase prices.

A pricing schedule detailing changes to our Wholesale Selling Prices to both draught and packaged products can be found on the reverse of this letter. Please contact your Account Manager who will be able to provide you with the detail of how this impacts your individual agreement. Any rate changes on excise duty or VAT made by the Chancellor will be passed on in full as they occur.

Please note where we supply non-Molson Coors brands, new pricing will be implemented on 8th January 2018.

In addition, the terms on which we do business with you have recently been updated, and you will find the new version of the Terms and Conditions of Sale in the "Downloads" section on the Home Screen of www.molsoncoorsdirect.com. The new terms will immediately apply to the agreement that you have with Molson Coors, and advise that you check back regularly for any updates.

Finally, I would like to take this opportunity to thank you for your custom and assure you that we continue to take the long term view to enable investment in both our customers and our brands

Yours sincerely

Martyn Cozens
